MODEL
VIKING YouSafe™ Walk to Work

VIKING YouSafe™ Walk to Work

This SOLAS approved 1-hour lightweight immersion suit packed in a convenient pouch makes crew transfer safer and easier. Developed for Offshore Wind Energy and Oil & Gas, the pouch can be attached to the back of the VIKING YouSafe™ Pro lifejacket so the wearer can don the suit before transfer or carry it in the pouch.

- SOLAS 1-hour lightweight immersion suit with built-in elastic adjustments
- Convenient pouch for storage that can be attached to the back of a lifejacket
- 3 year service interval

VIKING YouSafe™ Walk to Work immersion suit with pouch, SOLAS/MED,
