MODEL
VIKING YouSafe™ Blizzard

VIKING YouSafe™ Blizzard

Premium Polar grade immersion suit based on multi-layer system with double thermal insulation to protect you in the harshest of conditions. Built-in buoyancy eliminates the need for a separate lifejacket, provides superior freeboard and enables faster donning in an emergency.

- Multi-layer suit with integrated buoyancy
- PU coated Nylon shell with quilted thermal liner that doubles the insulation of a standard SOLAS immersion suit
- Recommended for Polar code applications
